EXPERIENCE

Publix Grocery Associate

Publix Corporation

Oct. 2022 – Aug. 2024

Miami Lakes, FL

- Assisted customers with bagging and carry-out service using clear, friendly communication
- Maintained cleanliness and organization across front-of-store and restocking areas
- Coordinated with team members during peak hours to streamline checkout flow
- Responded to customer questions and requests in a fast-paced retail setting

PROJECTS

Pallit | *Google Fonts API, React, JavaScript, Next.js*

April 2025 – Present

- Integrated Google Fonts API to enable real-time font pairing and customization
- Built logic to apply selected fonts across UI components dynamically
- Helped refine frontend styling for a smooth and accessible user experience
- Ensured seamless interaction between font selection tools and color themes

HeisenLearn | *Python, Gemini API, JavaScript, VS Code*

June 2025 – June 2025

- Trained and deployed an AI voice model mimicking Walter White's tone and speech
- Built a chemistry-focused chatbot using Gemini API with a Walter White persona
- Developed voice integration in JavaScript, enabling dynamic Q&A with AI-generated speech
- Collaborated in VS Code to streamline chatbot and voice interaction

Last Meal Protocol Club | *TypeScript, Tailwind CSS, React, Supabase, SQL*

April 2025 – April 2025

- Built a secure user authentication system with Supabase using email and password verification
- Wrote SQL queries to design and manage a structured database for user meals and exercise tracking
- Integrated backend with frontend components to enable real-time data syncing and interaction
- Adjusted schema and logic to support smooth communication between client and server

TECHNICAL SKILLS

Languages: Python, Java, TypeScript, JavaScript, SQL, C#, C/C++, HTML/CSS

Libraries/Frameworks: React, Tailwind CSS, Next.js, Node.js, OpenAI API, Gemini API

Developer Tools: Git, Unity, Vercel, Godot, VS Code, Supabase

LEADERSHIP / EXTRACURRICULAR

Scouting America

Senior Patrol Leader

Aug. 2018 – Dec. 2024

Miami Lakes, FL

- Reached the rank of Eagle Scout, the highest achievement in Scouting America
- Served as elected Senior Patrol Leader for 2 years, leading all troop operations and events
- Ran weekly meetings and organized community service projects for 30+ scouts
- Managed several thousand dollars in funding for monthly campouts and an annual out-of-state trip
